

Partners in Planning and Management

Molalla River Watch (MRW) is a non-profit organization created in 1988 by a group of local concerned citizens for the purpose of protecting, preserving, and restoring the flora, fauna and water quality of the Molalla River and its tributaries. MRW is committed to promoting respect and understanding of the Molalla River watershed through education and conservation for present and future generations.

Bureau of Land Management

As the nation's largest land management agency, the BLM has responsibility for managing most of our nationally owned public lands and natural resources. This includes fostering the conservation and stewardship of our land and water resources, protecting our fish and wildlife, preserving the environmental and cultural values, and providing for the enjoyment of life through outdoor recreation. The Cascade Resource Area of the BLM's Salem District manages the Molalla River Recreation Corridor.

Partnership

The trails are built and maintained by volunteers, mountain bikers, equestrians, hikers and BLM employees. Molalla River Watch and the Bureau of Land Management have been working together to develop strategies for the Molalla River Corridor. Our goal is to provide maximum access for the public to enjoy the natural scenic beauty and abundant recreational activities while creating minimal impact to the fragile ecosystems of the Molalla River watershed.

Reporting Crimes or Vandalism

Please report any crimes, accidents, vandalism, trash dumping or other illegal activities to the BLM by calling the Salem District Office at 503-375-5646 or BLM's statewide law enforcement reporting number 1-800-333-7283.

In case of Accident or Emergency

Clackamas County Sheriff's Office
503-655-8911 or 911 (extreme emergencies)
Nearest phone is located at Dickey Prairie Store
4 miles north, outside the corridor.

Fires

No fires are allowed on the trail system.

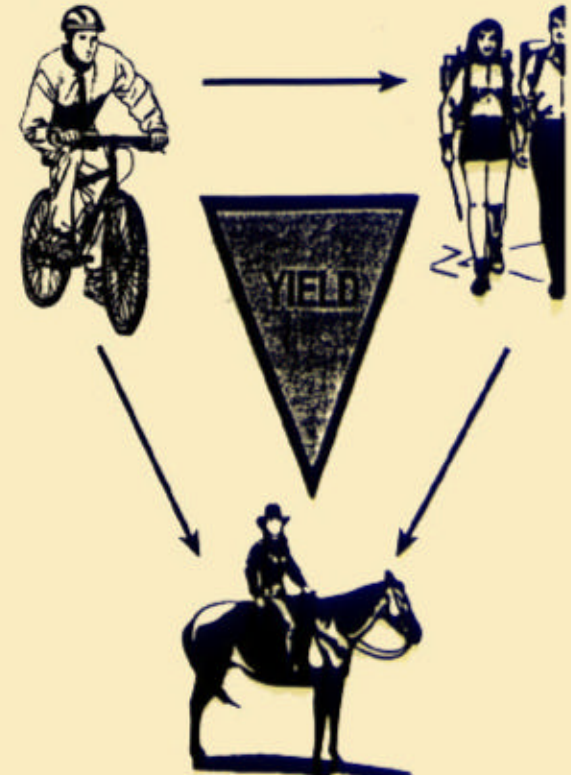

Safety

- Please remove valuables from your vehicle and lock your car.
- Never travel alone, let others know when you'll return.
- Always wear a bicycle helmet.
- Drink lots of water/ fluids.
